I made changes to the Publisher version of the FAQs, then converted the text portions of the document into a Word document. This Word document is attached. If you would like to make additional changes, it would probably be most helpful if you could track changes. I can consolidate edits and send back to Martin and Joan for final review.

Thanks,

We are not distributing this fact sheet yet. We are still working on it to try and see if we will use it for tomorrow. Did we hand out anything at the public meeting held with Shaun and David? Could you also let Craig see it? We are not yet ready to coordinate with the locals.

Hi, Wendy.

Thanks for the update. Do you know if we are holding this fact sheet until we get the updated volume from the USGS?
